Capital Plan 2015 - 2019

New York City Transit

Project: T7041330

Description: ADA Accessibility at 14 Street - 6 Avenue / 7 Avenue Station Complex - Design Only

Category: Passenger Stations Element: Disabled Accessibility

This project will provide design funding to make this station complex fully accessible per the requirements of the Americans with Disabilities Act. The stations included in the complex are 6th Avenue on the BMT Canarsie Line, 14th Street on the IND 6th Avenue Line, and 14th Street on the IRT Broadway-7th Avenue Line, in the borough of Manhattan.
